

ROGERSVILLE HIGH SCHOOL WARRIORS

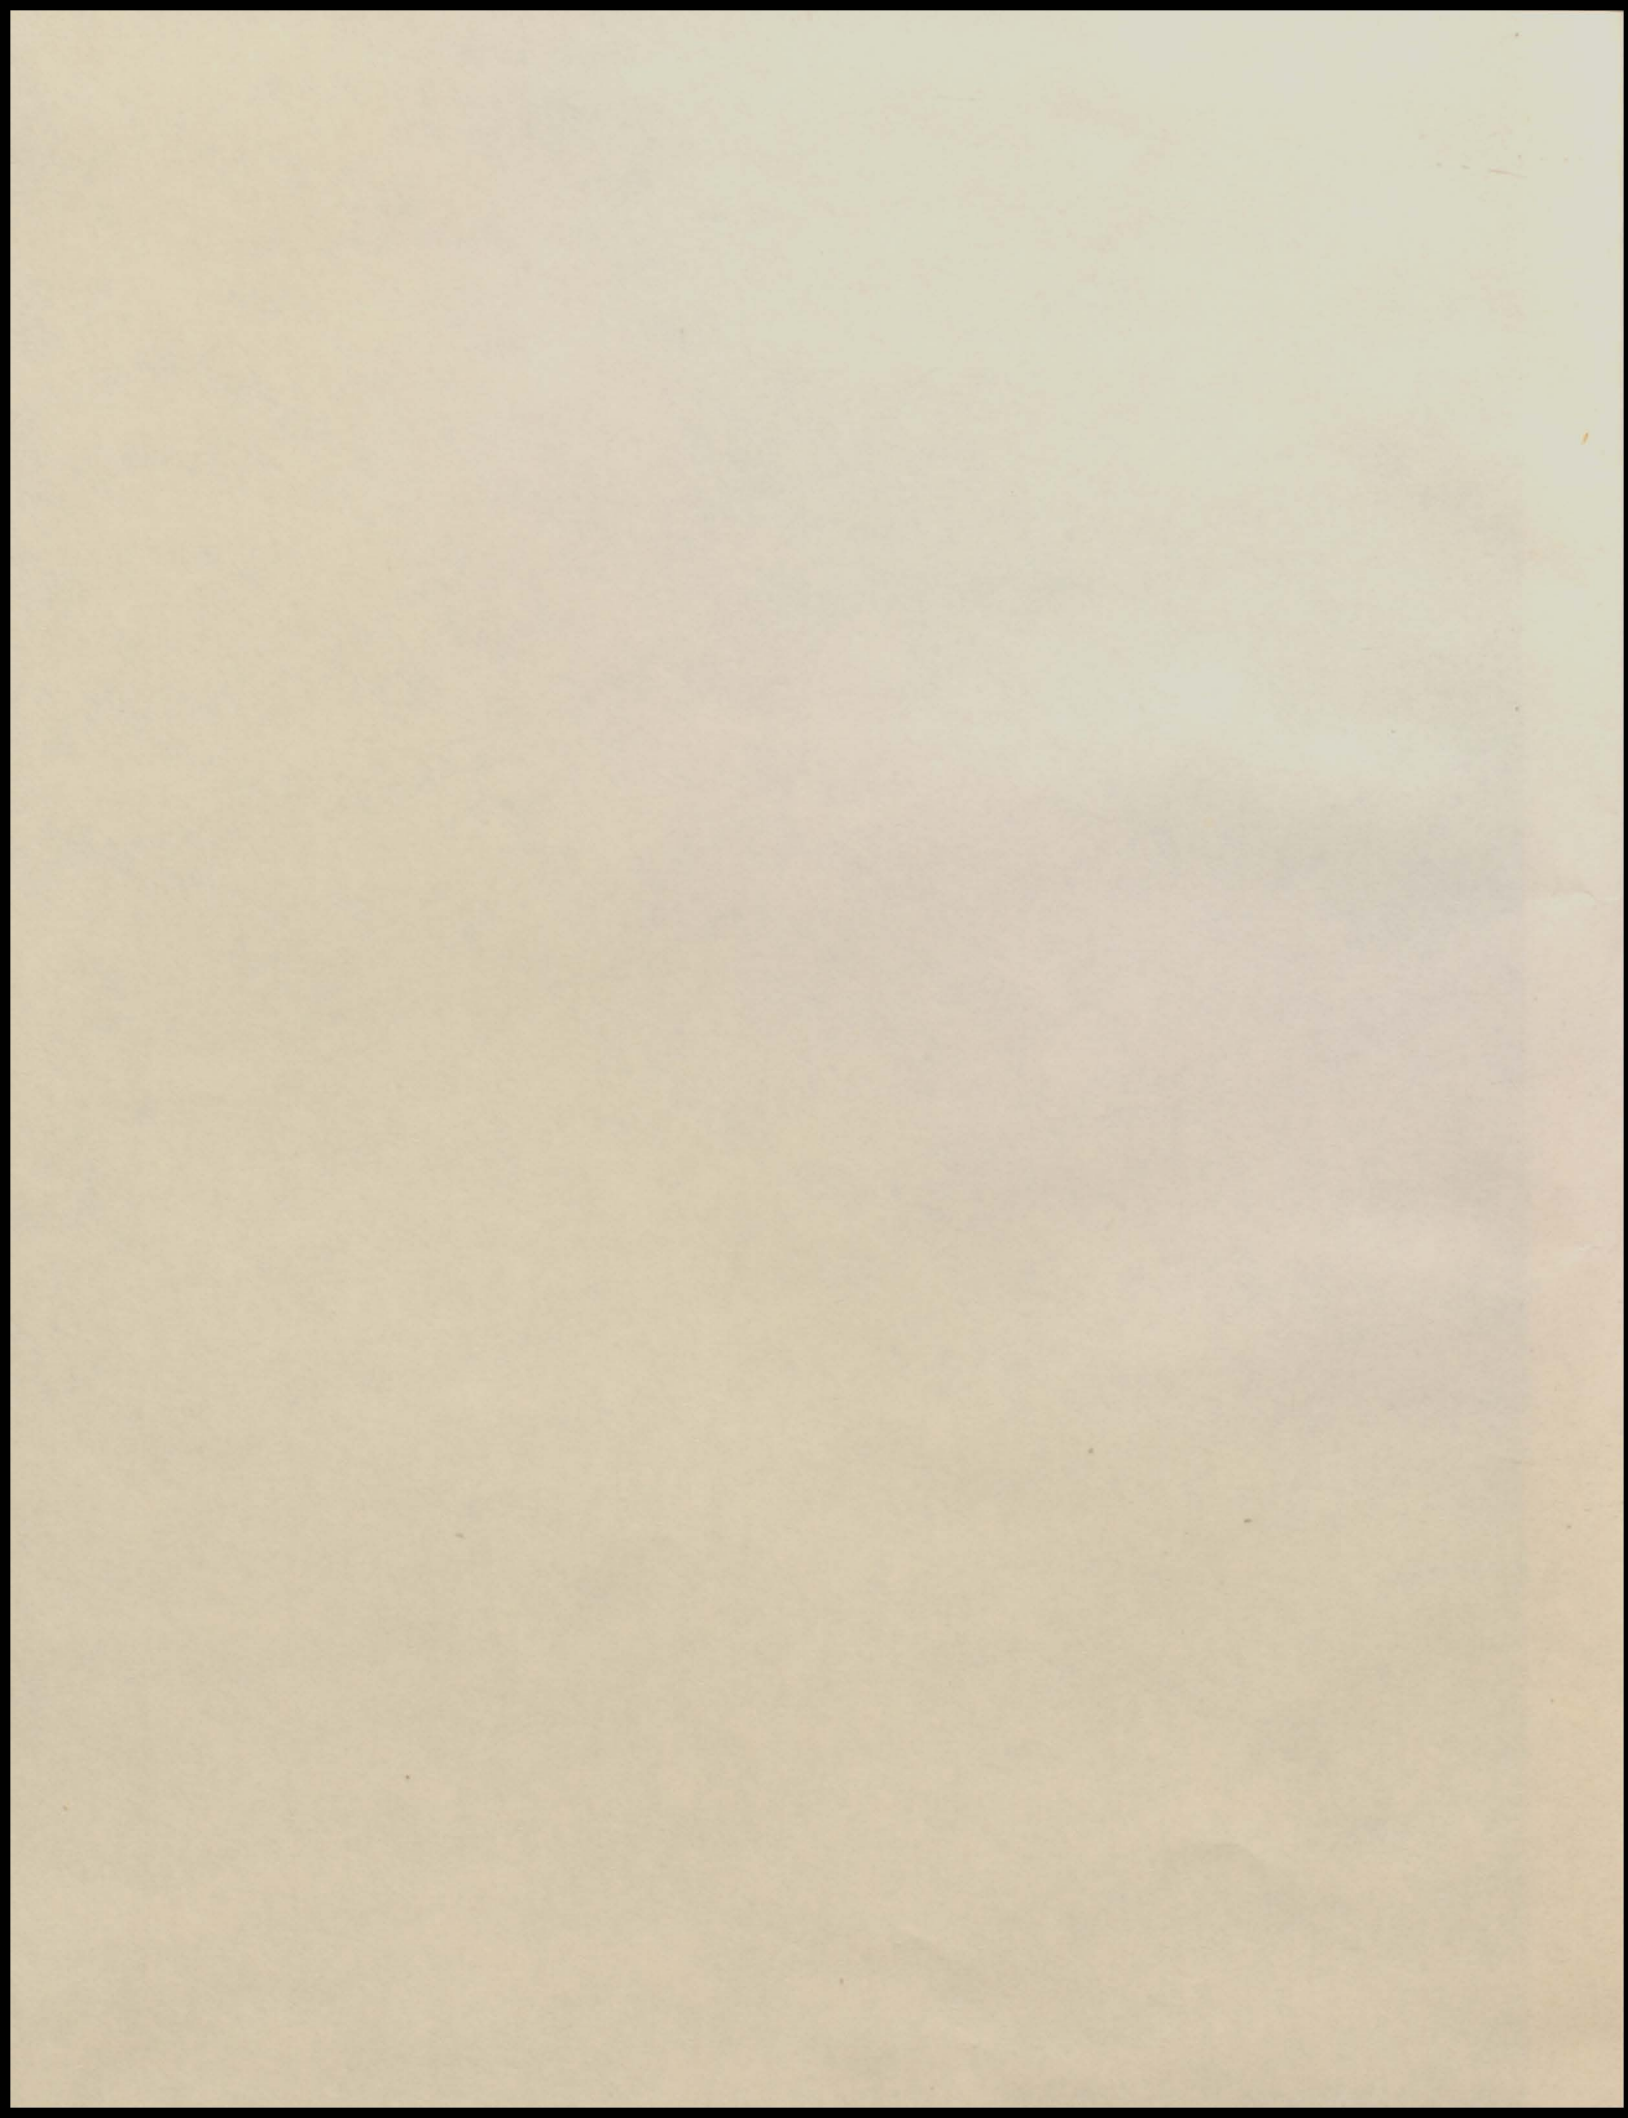

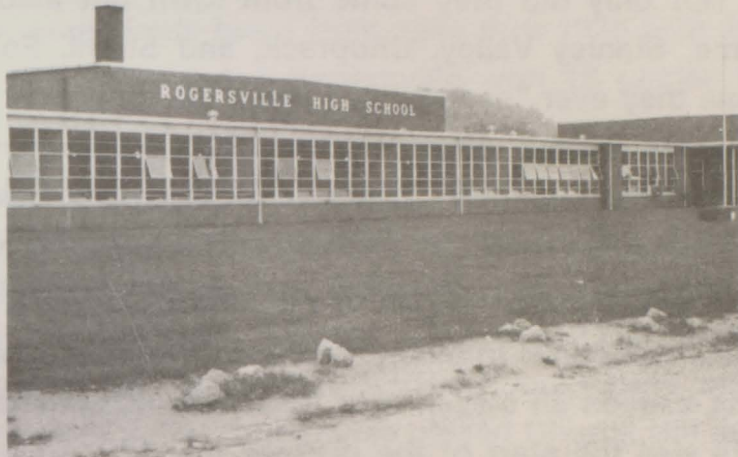

A CONCISE FOOTBALL HISTORY
1944-1979 SEASONS

CHURCH 1887

FORWARD

Not only did they come from town but also places like Pressmen's Home, Stanley Valley, Choptack, and Strahl. For some the first football game they ever "seen" they played in. They went on to become attorneys, business owners, administrators, teachers, judges and generals. They had one thing in common - their love for the game. They are all part of the great tradition established by the Rogersville High School Football Teams.

The tradition began in the 1920's. Being a small school sometimes teams were hard to fill. In the 1930's five man teams were the norm. In the 1944 season an eleven man team was established (the first in six years). This was the start of the present day 11 man team (so little was known about this aspect of the game at the time that a local paper reported the initiation of a 12 man team). The games were played at the present day City School on Friday nights. Swift College used the field on Saturday afternoons. The 1944 team used makeshift equipment - leather helmets, homemade pads laced together with shoestrings. They furnished their own jerseys and had their shoes repaired at the local shoe shop. They made up their own plays and played a 5 game schedule playing some schools twice. Good size crowds watched the game from the sidelines (no bleachers were available).

In 1951 Hawkins County erected a new high school. TVA workers from John Sevier supplied the labor and TVA supplied the machinery to erect a new football field. This field was the home of the Warriors until 1980 - the year the Warriors became the Cherokee Chiefs.

This publication provides information from the modern era (1944 thru 1979). Little information was found in some years. Sometimes scores varied between papers, school annuals and memories. The intention of this publication is not to discredit any facts but to enhance memories of fans and players of bygone years.

Rivals

The Warriors longest running rivalry was with Newport. Rogersville played Newport every year, sometimes twice from 1944 thru 1976 with the exception of 1946 and 1947. In the series Rogersville won 18 games to Newport's 12 with 2 ties.

However, the most furious competition came from the teams in the Rotherwood, later Upper Lakes, conference The Lynn View Lynxes, Sullivan Pirates (later Sullivan West), Ketron Wildcats, and, the game of games each year with the upper end Hawkins rival, the Church Hill Panthers made up the conference. Television stations could have shut down each year on the Friday night that Rogersville played Church Hill and no one would have noticed. In 1955 over 4,000 fans turned out to watch Jay Salley and his Panthers take on the Warriors. The Rogersville - Church Hill series began in 1951 and was played every year until 1979. Even though the game was played early in the season, the winner often went on to win the conference championship. Church Hill enjoyed a small edge in victories with 16 wins vs. 12 losses and two ties. The games were decided by 7 points or less 15 times.

Rogersville fared not so well against the other conference powerhouse, the Ketron Wildcats, scoring only 8 victories against 17 defeats. However the Warriors maintained a winning record against Sullivan, 17 wins and 12 losses. Lynn View only defeated Rogersville 4 times, while the Warriors scored 24 wins against the Lynxes.

1947 Warriors

Since many of the football squad were graduated in the spring of 1947 and as the schedule called for games with the larger high schools, Coach Watts decided it would be to future advantage of the school to cancel the schedule and confine their time to practice. Several hundred dollars worth of new equipment made it possible to outfit enough for home practice. Skrimishes were arranged with Greeneville "B" and "A" squads, Morristown's "B", and Jefferson City's "A" squad.

The 54' Warriors moved Rogersville into the lime-light as they proved to be one of the top teams in Tennessee. They were the third highest in the East Tenn. area in scoring, second best scoring average, allowed the fewest opponents' points, and had the lowest defensive average in points allowed per game.

The victory over powerful Sullivan was the first time in the history of the school that the Warriors had defeated the Pirates.

1954 WARRIORS IN FLORIDA

The entire Warrior football squad, two coaches, and two managers left Wednesday at 6:00 for Orlando, Florida where the Warriors will meet the Edgewater High School team. The game will be Friday night at 8:15 in the Tangerine Bowl Stadium. The Edgewater team ranks 7th in the state of Florida.

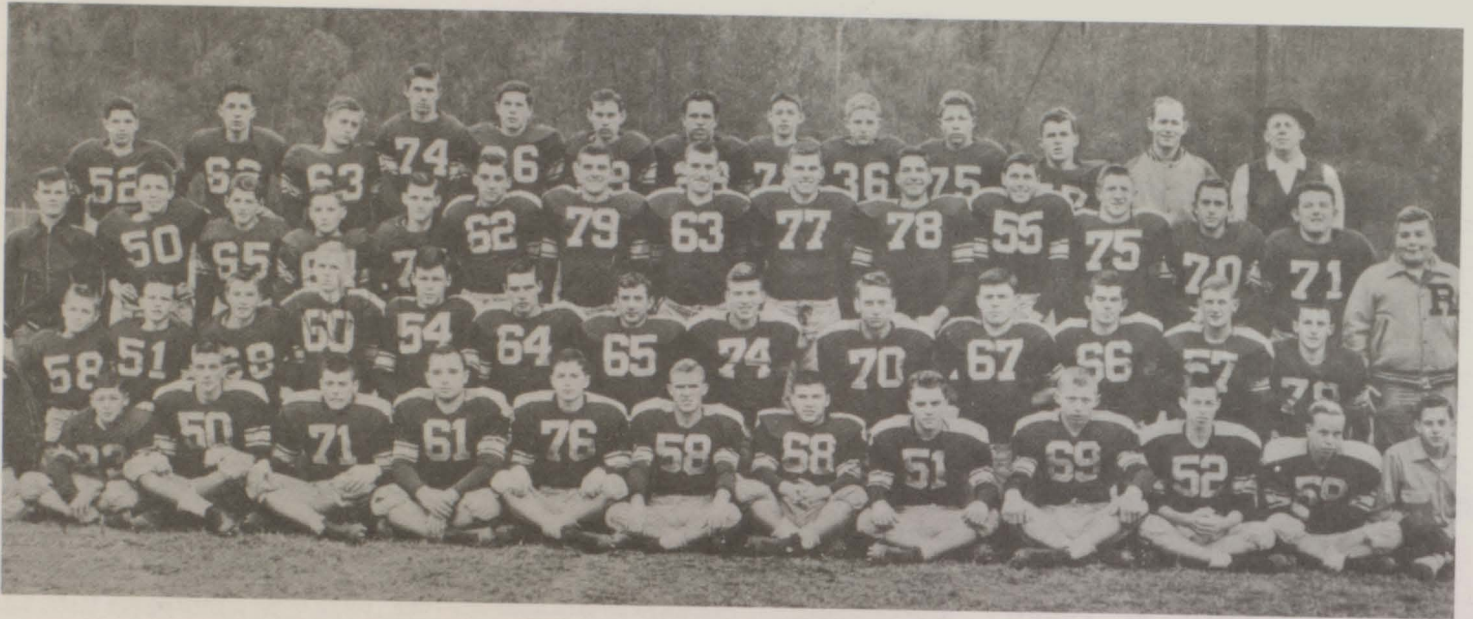

This is the first trip out of state for many of the boys on the Rogersville team. Meals on the bus trip will consist of sticks of bologna purchased at country stores and converted into sandwiches. The team will stay at the San Juan Hotel in Orlando. The San Juan is noted for its marble floors and large chandeliers.

Members of the Warrior team are: Gerald Winstead, Ronald Brooks, Terrell Van Cleave (ends); Billy Joe Winstead, Harold Courtney, Guy Jones, Donald Lane (tackles); Jimmy Tunnell, Charles Sellars, Billy Bentley, Philip Miner, Eugene Benton, Robert Crumley, (guards); Allen Brewer, Sherwood Johnston Jr. (centers); Johnny Leonard, Jim Rogan, (quarterbacks); Jim Sizemore, C.W.

Sizemore, Bob Black, Sam Carmack, Bob Faust, Bob Bentley, (halfbacks); Johnny LeRoy, Jim LeRoy, Jid Winstead, (fullbacks) Cheerleaders are: Pat Hurt, Martha Moore, Virginia Hatney, Shirley Reynolds, Jo Hall, Margaret Lipe, and Virginia King.

The Warriors jump to a 7-6 lead early in the second quarter as Jid Winstead hit Gerald Winstead on a 40 yard pass. A fake extra point kick pass from C. W. Sizemore to Jid Winstead gave the Warriors a one point advantage. As the second half starts the rain begins to come down. Leonard drops back and hits Sammy Carmack with a five yard pass and Sammy dazzles the 5000 spectators with a 40 yard touchdown run. Leonard hits Jid Winstead with a pass for the extra point. However in the fourth quarter, Edgewater erupts for two touchdowns to defeat the Warriors. Bill Joe Winstead has a whale of a game from his lineman position completely out-playing Florida's all-state tackle, the 230 lb. Charlie Boetzman.

Coach Burleigh Davis and the Rogersville Warriors put their undefeated record on the line when they entertained the Carson Newman freshmen. The Warriors high output offense proved to be to much for the talented freshmen team. The Eagles could not contain the one, two, three scoring trio of the Warriors (Brooks, Sizemore and Winstead). Jim Sizemore scored two touchdowns, (one a 95 yard punt return), Winstead added another and Sizemore hit Ronald Brooks in the end zone for one more.

Gene Venable made 14 individual tackles and Tom Cupp, Bobby Linkous, Eddie Ward, and Terry Jackson played excellent defensively.

Football

The Warrior coaches began the 1972 season faced with the unenviable task of finding replacements for thirteen severely missed seniors. The inexperienced squad dropped two of their first three decisions, but then with a miraculous turnaround took seven of their last eight games, losing only to a powerful Ketrion team. We bestow our congratulations on the team and the coaches for a fine season.

1966 Warriors

Visiting Ketron, Rotherwood Conference Champions for the last 3 years was defeated by the new Conference Champion Rogersville Warriors 7-6.

The game was a tough defensive for over 3 quarters. Ketron struck first midway of the fourth quarter. An attempted run for the extra point failed.

The Warriors, on the passing of quarterback Kevin Rohan drove to the Ketron two yard line on the next series of plays. Dale Venable carried over for the touchdown. Rohan then passed to Venable for the game winning extra point.

Outstanding defensive players for the Warriors were: Bill Reel, Daffin Anderson, Bill Bradley, Eddie Floyd and Enos McLain.

Rogersville completed conference action with a perfect 5-0 record.

The Warriors suffered a tragic setback when one of the most promising prep athletes in the state, 15 year old sophomore David Gladson lost his life in an automobile accident.

Gladson, the starting quarterback as a freshmen, completed 54% of his passes while passing for 1,150 yards.

David could do it all: throw a football a football 70 yards, pass with pinpoint accuracy and punt up to 65 yards. Equally impressive was his leadership on the field. In addition, David exhibited equal ability in other sports, by being regarded as one of the top baseball pitchers in the Upper Lakes Conference and was assuming the leadership role on the basketball team.

David was honored at the close of the season by being named Honorary Captain of the All East Tennessee Football Team.

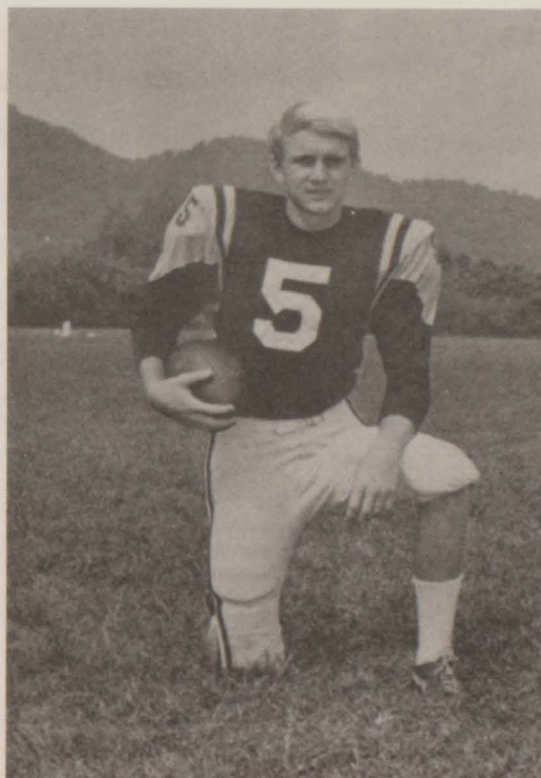

He had as much potential as any sophomore quarterback I've ever seen.

Jay Salley, Church Hill Coach

For his age, the best I have ever seen, better than Spurrier.

Bill Lane, Kingsport Times-News Sports Editor

Steve Spurrier, a Johnson City Native won the Heisman Trophy while at Florida and is now currently Head Coach at Florida
